

DLC Values

- Respect the land, its stewards, and all people with whom we work.
- Adhere to accredited land trust standards to ensure consistency and integrity in our work.
- Cultivate a culture of acceptance, inclusivity, collaboration, and strong community connections.
- Protect our longevity and mission by safeguarding the resources entrusted to us.
- Use scientific knowledge and innovation as the foundation for protecting, stewarding, and restoring natural spaces.
- Balance conservation with development to help ensure our community remains vibrant, healthy, and livable for future generations.
- Inspire people through education and service to connect, appreciate, and enjoy the natural spaces around them.
